

Heavy Duty Spiral Dough Mixers

ITEM: 49122 49123
MODEL: MX-IT-0080-M MX-IT-0100-M

Heavy-duty spiral mixers make preparing of dough possible with ease and efficiency.

This heavy-duty spiral machine with fixed stainless steel basins includes a rear basin guard. It is equipped with two kneading speeds, two timers to program the working cycle, two fixed wheels, and adjustable feet for easy positioning.

FEATURES:

• **Intuitive Interface**

You can access all functions with a few simple actions: two work speeds, two times, and an automatic cycle.

• **Bowl & Spiral**

Both are made from high-resistance stainless steel. The design, dimensions, and sizing have all been carefully devised to ensure a peerless finished product.

• **Stunning Dough**

Designed to help you create a dough with perfect, handmade consistency. The Plus version has a reinforced spiral drive mechanism specially designed for dryer dough mixes.

• **Highly Safe**

The protective grill in stainless steel is ergonomically designed and completely safe. When opened the machine automatically stops working.

• **Solid Stability:**

The feet give the machine great stability, while the wheels mean that the machine can be moved easily to clean the workspace.

• **User-friendly At All Times**

A special button means you can respond to emergencies quickly, following the regulations out there.
