

Heavy duty stainless steel top is insulated with ceramic fabric layer over the foam to prohibit heat transfer to interior cabinet.

Top comes with standard marine edge on all sides and has a 1" (2" overall) extension on each side to allow cooking equipment to sit flat.

Exterior cabinet construction consists of full stainless front, sides and top.

Full extension drawers allow for loading and unloading of pans without tipping them.

All products are pressurized with environmentally friendly and more efficient Hydrocarbon gas

Environmentally friendly R290 Hydrocarbon gas.

Electronic thermostat with external digital LED display for accurate control and easy reading.

Heavy duty, reinforced mounting points.
