

OPTIONAL WORKTABLE ACCESSORIES

FEATURES

For In-Field Adjustments:

LEG BRACES

- Provide the option for an infield adjustment to use leg braces for stability when not using the under-shelf
- Complete set with braces and attachments

LEGS

- Convert an existing table to an all-stainless steel table by adding a set of stainless steel legs
- Easily convert a worktable to a mobile station by ordering optional legs with castors
 - Kit contains 4 legs: 2 castors with brakes and 2 castors without brakes

CASTORS

- Add 5" castors to create a mobile work table
- Castors are available with or without brakes
